

CHRIS EDMONDS

B I O G R A P H Y

Chris Edmonds was an iconic Atlanta figure in the 1980's and early nineties. He was the singer and songwriter for The Swinging Richards, a famous Atlanta band known for its' songs, live performances, and out of control lifestyle. After the Richards, Edmonds formed Caesar Speaks, which also featured Peter Stroud of Sheryl Crow fame. They enjoyed quick success, and Edmonds' songs were gaining exposure. Local and national groups were covering Edmonds' songs and a couple even ended up on a movie soundtrack. After Caesar Speaks, Edmonds performed solo for a while before quitting the stage. He has been rarely seen since. In fact, he has never quit writing, he just quit letting us listen. Until now..
